XMXYG CHARTER

象屿使命：计利天下 相与有成

Corporate Mission: Benefit the World, Achieve Success Together

象屿自创立伊始，始终坚持“计利天下，相与有成”。

Since its foundation, XMXYG has been committed to the philosophy of "benefitting the world and achieving success together".

计利天下

象屿坚持“计利当计天下利”，把承担社会经济发展责任、助推社会经济发展视为公司的立身之本，坚持使公司战略服务和支撑国家、地区、行业的发展，以义取利。

Benefit the World

Believing that "benefitting the world is our ultimate goal", XMXYG considers taking responsibility for socio-economic development and promoting socio-economic development as the foundation of a company. Therefore, its development strategies are aimed at serving and supporting the development of the nation, the region and the industry, in a bid to pursue benefits in a legitimate way.

相与有成

象屿坚持通过产业链和价值链将客户、员工、股东和社会链接在一起，构建共生共赢的价值生态圈，在帮助利益相关方实现价值创造的同时成就自身的价值。

Achieve Success Together

Through industrial chains and value chains, XMXYG connects its customers, employees and shareholders with the society. In this way, it has built a symbiotic and win-win ecosystem, helping stakeholders create value while realizing its own value.

象屿 愿景

Corporate Vision

成为具有全球竞争力、以供应链为核心的综合性投资控股集团

XMXYG aims to become a globally-competitive comprehensive investment holding group focused on supply chains.

充分发挥国有资本在助推区域经济发展和国家、社会经济发展中的作用，有效运用资本将公司打造成为受人尊重、具有全球竞争力、以供应链为核心的投资控股集团，这是全体象屿人共同奋斗的目标。

It is the goal of all XMXYGers to give full play to the role of state-owned capital in promoting regional economic development and national and socio-economic development, and to effectively utilize its capital to build the corporation into a respectable, globally-competitive and supply chain centered investment holding group.

核心 价值观

Core Values

以价值创造为本

Value Creation Oriented

坚持以价值需求为导向，以价值创造为根本，通过持续不懈的努力，为客户增加价值，让员工实现价值，为企业创造价值，为社会奉献价值。

Guided by our desire for value and aimed at creating value, we are making unremitting efforts to deliver more value to customers, to enable employees to realize their value, to create value for the corporation, and to contribute value to the society.

象屿 精神

Corporate Spirit

草根精神 事业情怀

Rooted in the Grassroots, Devotion to Undertakings

传承草根精神，以向下扎根的踏实稳健、向上生长的顽强坚定，追求生生不息的基业长青，时刻保持简单务实、艰苦奋斗和危机意识，让创业激情不断涌现，向生而生。

我们坚持事业情怀，以做强做优的内在驱动力、永不满足的空杯心态，追求更好更远的事业前程，时刻保持积极进取、追求卓越和善于反思，让奋斗意愿更强，永不懈怠。

We are deeply rooted in the grassroots to sustain the vitality and prosperity of our fundamental undertakings with a down-to-earth attitude and sheer tenacity. We maintain a simple and pragmatic mindset, work hard with a sense of crisis, to keep our entrepreneurial passion grow and flourish.

We remain devoted to our undertakings. Driven by our determination to become stronger and better and never be contented with our past achievements, we always keep proactive to push our undertakings forward, pursue progress and excellence, and make reflection regularly, ensuring that we have a strong will for success and never slack off.

组织建设 核心原则

Core Principle
of Organizational
Construction

坚持党的领导

Uphold Party Leadership

坚持党对国有企业的领导，增强党组织的政治功能和组织功能。切实有效地坚持“五个结合”党建工作体系：将党的全面领导与企业法人治理相结合；将党管干部与市场化人才配置相结合；将党的组织建设与企业提质增效相结合；将党的群众工作与企业文化建设相结合；将党风廉政建设与企业风险管控相结合；实现党建与经营深度融合，同向共进，形成党建与业务双向融合、双向促进新模式。

We adhere to the Party's leadership over state-owned enterprises, and keep enhancing the political and organizational functions of Party organizations. Besides, we've taken concrete measures to ensure the "five combinations" of Party-building work system: combining overall Party leadership with corporate governance, combining the Party's supervision over cadres with market-based talent allocation, combining the Party's organizational construction with corporate quality and efficiency enhancement, combining the Party's work for the people with corporate culture construction, and combining the Party's efforts to improve its conduct with corporate risk control. These "five combinations" are intended to achieve a deep integration of Party building and corporate operations, so that they can advance together in the same direction to form a new model of two-way integration and advancement.

五星行为 Five-Star Behaviors

象屿“五星行为”是员工在工作中必须遵循的基本行为准则，是核心价值观在具体场景下的指导与应用，体现了象屿文化价值观的多维度特征。

XMXYG's "Five-Star Behaviors" are the basic code of conduct that employees need to follow at work. It is the guiding principles and the application of core values in specific scenarios, embodying the multi-dimensional feature of XMXYG's cultural values.

担当作为

体现了象屿人的事业情怀和责任意识。在其位，谋其政；任其职，尽其责。

Assume Responsibilities and Take Action

It embodies XMXYGers' devotion to their undertakings and sense of responsibility. They manage their duties well and fulfill their responsibilities at work.

务实高效

尊重事实与规律，唯实不唯上。靠数据说话，用事实证明。

Be Pragmatic and Efficient

We respect facts and laws, stay realistic rather than just obey what the superiors say, let data speak for themselves, and prove with facts.

客户导向

以客户为中心，始终专注于满足客户需求，不断提升自身的工作能力和专业水准，努力满足并超越客户的期待，实现客户价值和岗位价值最大化，达成互利双赢局面。

Be Customer-Oriented

We are customer-centric with focus on meeting customer needs always, continue to improve our work skills and professional standards, strive to meet and even exceed customer expectations, and maximize customer value and job value to achieve a mutually beneficial and win-win results.

开放包容

提倡“和而不同，周而不比”，强调包容个性差异，鼓励相习相长。

Be Open and Inclusive

We advocate "harmony in diversity and mutual respect without conformity", emphasizing inclusiveness of individual differences and encouraging mutual learning and growth.

阳光简单

倡导“但求事成，心中无他”的以工作为导向的简单人际关系，努力做到公开、公平、公正，以积极向上的态度对待工作和同事。

Be Positive and Simple

We advocate simple and work-oriented interpersonal relationships in which "all strive for success together". We create an open, fair and impartial atmosphere, with positive attitude towards work and colleagues.

五大理念 XMXYG's "Five Principles" of Operation

象屿经营“五大理念”是象屿获取竞争优势、创造收益和商业价值的成功经验及经营原则。

They represent the success experience and operating principles of XMXYG in gaining competitive advantages and creating profits and commercial value.

风险第一

坚持“风险第一、利润第二、规模第三”的发展理念，保规模不拼规模，争效益不赌风险，保持质量、效益、规模的均衡发展，持续创造价值。

Risk First

XMXYG adheres to the development philosophy of "risk first, profits second, and scale third". It maintains an adequate scale of operations without competing to expand it blindly, strives for benefits without gambling on risks, maintains balanced development of quality, efficiency and scale, so as to continue to create value.

扎根市场

坚持走市场化的发展道路，遵循市场经济规律和价值创造逻辑，将成长之根扎在市场需求、大趋势和价值最大化上。

Building a Firm Foundation in the Market

XMXYG adheres to a market-oriented development path, and follow the laws of market economy and the logic of value creation. Its foundation for growth is rooted in market demands, general trends and value maximization.

合作共赢

坚信“交得其道，千里同好”，善于与各类型的商业主体结成合作伙伴，聚集、整合市场资源，吸收、赋能并发展壮大。

Win-Win Cooperation

We believe that "A partnership forged with the right approach defies distance". We are adept in partnering with various types of business entities to pool and consolidate market resources, thereby absorbing the essence, empowering our enterprise and growing.

创新发展

坚持将创新融入技术、产品、制度、组织、文化、观念等方面，建立支持创新的文化，持续在资源配置和激励机制上鼓励和推动创新。

Innovative Development

We persist in the integration of innovation into our technology, products, systems, organizations, culture, concepts and other aspects. We've established a culture that encourages and supports innovation in resource allocation and incentive mechanisms.

It is set to become a pilot and demonstration area to facilitate cross-Strait and even global trade, attract overseas investment with highly clustered headquarters economy, and deeply integrate domestic and foreign capital. It is expected to grow into a pilot area for trade facilitation, investment liberalization and financial internationalization, as well as a pioneer area for cross-Straits cooperation.

厦门跨境电商 产业园

系厦门自贸区重点产业平台，打造跨境电商全产业链公共服务平台及产业综合运营基地，提供办公、展示、供应链金融、电商仓储等全方位服务，形成进出口双向的跨境电商产业园区。项目是福建省内跨境电商要素聚集度高、服务要素齐全的跨境电商全产业链综合服务平台，2020年入选商务部国家电子商务示范基地，2021年入选工信部国家小型微型企业创业创新基地，跨境产业生态圈及公共服务体系位于全国前列。

Xiamen Cross-border E-commerce Industrial Park

As a key industrial platform of the Xiamen Free Trade Zone, the Industrial Park is building a public service platform and comprehensive industrial operation base for the entire cross-border e-commerce industry chain, providing all-round services such as offices, displays, supply chain finance and e-commerce warehousing, which makes it a two-way cross-border e-commerce industrial park for import and export. The project is a comprehensive service platform for whole cross-border e-commerce industrial chain with a high concentration of cross-border e-commerce elements and complete services in Fujian Province. It was selected as the National E-commerce Demonstration Base by the Ministry of Commerce in 2020 and the National Small and Micro Enterprise Entrepreneurship and Innovation Base by the Ministry of Industry and Information Technology in 2021. At present, its cross-border industrial ecosystem and public service system are among the best in the country.

厦门高端装备及 智能制造展示 交易中心

服务于全球高端装备制造产业，连接海峡两岸，集产品展示、实地看样、订货交易、技术培训、物流通关、商务办公、金融产品服务于一体的高端装备及智能制造全产业链一站式综合服务平台，是厦门智造领域的颇具代表性的平台项目。

Xiamen High-end Equipment and Intelligent Manufacturing Exhibition and Trading Center

Serving the global high-end equipment manufacturing industry and connecting both sides of the Taiwan Strait, this center is expected to grow into a one-stop comprehensive service platform for the high-end equipment and whole industrial chain of intelligent manufacturing. It integrates product display, on-site sample viewing, ordering and transactions, technical training, logistics and customs clearance, business offices, and financial product services. The service platform is a representative platform project in Xiamen's intelligent manufacturing field.

港口航运 PORTS AND SHIPPING

该业务板块见证厦门以港立市兴市强市的百年迭代史，立足厦门海上合作战略支点和国际门户枢纽地位，积极探索自由港改革试点、深化对台交流合作、着力提升城市能级，以港口航运为基点，向海而行，实现港、城联动和山、海协同，为厦门成为高素质高颜值现代化国际化中心城市，率先基本建成社会主义现代化强国的样板城市，谱写象屿篇章。

This business segment has witnessed the century-old history of Xiamen City from its establishment to development and boom because of the port in it. Based on Xiamen's strategic position as a maritime cooperation hub and an international gateway, we have actively explored FTZ pilot reforms, deepened exchanges and cooperation with Taiwan, and strived to enhance the city's influence. Besides, based on the port shipping industry, we set off towards the sea, and seek coordinated development between the port and the city, and between mountains and coastal areas. We are going to build Xiamen into a modern international metropolis with natural beauty, and a model city in the great modern socialist country we are heading for. Meanwhile, we will also write a brilliant chapter of XMYG.
